1. The following is an examiner's statement of reasons for allowance: the prior art of record does not anticipate or render a measurement probe attachable to an external surface of a subject where the probe structure includes a plurality of hollow optical fiber fixing members with a plurality of access entries and having a hair displacement access cut out portion which is different than the access entries extending along a side for a partial longitudinal length.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
